

## MiGreat!

The Output 5 of MiGreat! is now ready!

The Methodology Handbook and Training course Plan for VETPROS is available, on the MiGreat! Website. It is aimed to support VET professionals, decision makers and stakeholders, during the implementation of the material created with migrants.

This output is an overview of the 11 eLearning modules, MiGreat! App and OER Platform of eLearning, and a methodological description of how to use and develop further the training material. The document also includes a curriculum based upon the eLearning and Migreat! App, which can be implemented in a formal ECVET, accredited training course for VET Professionals. The Training course plan describes timing, topics, contents and tools to be used.

What are you waiting for? Click on the MiGreat! Website and find out all the fantastic news for you!

## MiGreat! Launch Event

On Thursday, 20 September 2018, the final Italian multiplier event has been held in Fano, at "Mediateca Montanari".

During the event the Migreat! tools and methodology have been presented. 60 people took part in the event. The participants were members of associations and cooperatives, employees of public offices and stakeholders.

## MiGreat! App available on Google Play

The MiGreat! App is available on Google Play Store. It is possible to download the application in a simple and practical way using your smartphone or tablet. You can find the specific link on the project website [www.mi-great.eu](http://www.mi-great.eu) in the Output 2 section. You can also search for the MiGreat! App directly on Google Play Store.

Check it out!

The MiGreat! App is for people who have moved to the UK and want to manage their career and future training in the UK. The App will support you to get a basic understanding of British Culture and what its like to work and study here. It will provide you with tools to guide you in making the right career choices and help you understand your strengths.
